## Telescopic Trailer Tow Mirror

Built-in adjustable spot mirror & fantastic quality glass make this the ultimate mirror even when you're not towing

Just slide out to safely see around any legal width trailer.

## Louvered 5th-Wheel Tailgate

The only true form-fitted steel 5th wheel tailgate.

**\$299  
to \$349**

Heavy Duty 16 & 20 Gauge Steel Easy center latch Opening Fast Easy Installation  
Black Power-Coated Finish Easily Painted to Match Your Truck Improves Backing Visibility

We invite you to compare our tailgate to any other model regardless of price. We believe you'll agree that nothing else comes close.

# Sidewind Deflectors

Beat the elements with the perfect addition to any truck, van, or SUV. Sidewind Deflectors allow you to keep your windows partially open, to provide ventilation to the interior... Even in the rain!

As air flows around the outside edge of the sidewind it creates a small low pressure area underneath it (much like an airplane wing) which creates suction to keep out the stale air from inside your vehicle.

**2 Piece**

**\$34.95 to \$39.95**

**4 Piece**

**\$44.95 to \$49.95**

**Chrome Sidewind Deflectors**

Not available for all vehicles

**From**

# Dually Accessories

**From  
\$295 to  
\$349**

## AA-4

The AA-4 series of Front Adaptors are designed for the same bolt pattern as the Magnum series. They allow you to use the same dual style wheels on the front axle, giving your truck A complete dually look. AA-4's accommodate both 2 and 4 wheel drive trucks.

**Starting  
at  
\$89 ea.**

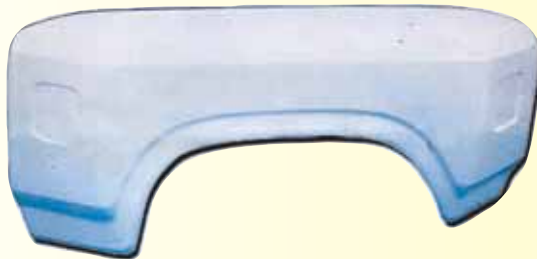

## Dually Wheels

**From  
\$375 to  
\$449**

## Magnum

Have you ever wanted to turn your 3/4 ton 8 lug or 1 ton single wheel pickup or Suburban into a dually? Now it's as easy as changing a tire. By using our precision Machined solid steel adaptors. You get the benefits of a dually without the high cost.

## Dually Fenders

Arrowcrafts dually fenders are specially designed to match the contours of your truck. They are easy to install and paint. They give you a factory dually look without the high cost of factory prices!

**\$149.95  
Includes  
Tailgate  
Protectors**

## Rugged Protection

Each Rugged Liner Bedliner is custom-designed for a factory perfect fit in domestic and import pickups.

Tough and durable, the Rugged Liner Bedliner helps to prevent costly cargo box and tailgate repairs. Molded from a single sheet of polyethylene. Ribbed construction prevents water pooling. Air flow design helps to eliminate trapped moisture. Even with tough use, the rugged Liner Bedliner proves virtually dent and chip proof to keep vehicle looking newer, longer. The proven design feature tough patented front corners. In addition to protection from physical damage, the Rugged Liner Bedliner is impervious to most acids, fuels, fertilizers and salts, and resists damage from exposure to UV rays.

Installation is quick and easy. No drilling is required. The rugged Liner Bedliner is design to utilize prefabricated attachment points from the manufacturer. Each Rugged Liner Bedliner is backed by a Limited Lifetime Warranty against defects in materials and workmanship.

Ford	F250/F350 4WD	99-04	2.5"	Leveling Kit	\$349
Nissan	Titan 2WD/4WD	2004	2"	Leveling Kit	\$159
Toyota	Tundra 4WD/2WD	99-04	2"	Leveling Kit	\$169
Toyota	Tacoma 4WD/2WD	95-04	2"	Leveling Kit	\$169

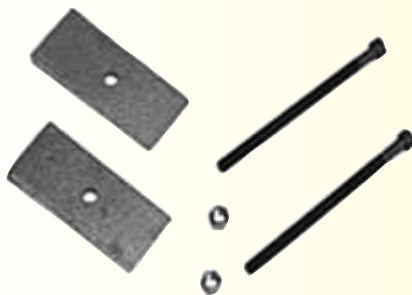

Pitman and steering arms are recommended for most vehicles lifted 4' and above. Some problems these arms will help correct are bump steer and a shortened turning.

Most blocks are now available in 2.5" or 3" widths. Non-tapered 4" & 5.5" are also available.

Add-a-leaves are an economical method of lifting vehicles that have leaf springs. Center pins are included with all kits.

Degree shims can help to correct drive line vibration problems associated with some lift vehicles.

When replacing leaf springs don't forget to also replace your U-bolts

# Firestone Air Ride

Firestone's complete line of air helper springs are installed between the vehicle's frame and suspension. They supplement the vehicle's stock suspension and can be adjusted as needed for changing load, towing or on/off road conditions. The helper springs can be easily inflated or deflated (5-100 psi) to balance and level the vehicle providing smooth and safe travel. On board compressors also available.

# Timbren Suspension

Without Timbren

What is Timbren?

Timbren is a suspension product which enhances a vehicle's empty ride quality, while providing protection against overloading, road shock, bottoming out, sway, and broken springs. Timbren also prevents front end nose diving, providing a smooth, level ride even with heavy loads. Timbren is currently in use on thousands of vehicles throughout the world. Maintain a level and worry free ride by installing Timbren Hollow Rubber spring kits on your van or truck.

\$49.95

\$49.95

## Single Steering Stabilizers

Tuff Country EZ-Ride's Dual SX5000 steering stabilizers are designed for the aggressive off-roader with oversized tires looking to improve handling characteristics and reduce steering shimmy. Dual stabilizers are most effective when used with 35" or larger tires. Shock boots included.

## Dual Steering Stabilizers

Tuff Country EZ-Ride's Dual SX5000 steering stabilizers are designed to improve handling characteristics and reduce steering shimmy. Single stabilizers are most effective when used with 33" or smaller tires. Includes shock boots.

## Tuff Country EZ-Ride's SX6000

Cellular Gas shock absorbers are recommended for mid-size & mini applications. The multi stage valving provides smooth controlled ride on and off-road. Shock boot included. Lifetime limited warranty.

## Tuff Country EZ-Ride's SX8000

Nitro Gas shock absorbers are recommended for all full size applications. The nitrogen gas pressure reduce fade and gives quicker shock response. Shock boot included. Lifetime limited warranty.

Let Ohio Light Truck Parts help you avoid Deer and other avoidable objects by adding a set of auxiliary lights to your vehicle.

**Cab Lights**

MOST light trucks do not come with cab roof running lights as do dualie's and big rigs. These cab roof lights give oncoming traffic a better visual fix for additional safety. Pacer Hi-Five® kits come complete with lights, wire harness and instructions for easy installation. All kits meet S.A.E. specifications.
